We, the Class of '77, would like to dedicate this yearbook to Tim Kavanaugh. Mr. Kavanaugh has helped us and stuck with us in all the activities we have done throughout the year. Thank you Mr. Kavanaugh.

THE CLASS OF '77

A WORD FROM THE SUPERINTENDENT:

I have found my first year in MSAD #44 both rewarding and challenging. The presence of young people is a constant reminder that the schools are here to serve our students. Hopefully, we will be able to continue providing the skills necessary for your future pursuits.

MR. KENNETH SMITH

A WORD FROM THE PRINCIPAL:

It has been a special privilege and a genuine pleasure to have served as your principal during the six year period. You have made and left your marks indelibly inscribed on Telstar's satellite, Education in Orbit.

As we accept new challenges, let us heed God's warning to Lot's wife and not look back to become merely a fixture in time and space, but instead let us continuously strive to enrich and improve our lives by dedication to high ideals, self-improvement and helping others.

MR. BRIAN FLYNN

LAST WILL AND TESTAMENT

We, the Class of '77, being of sound and disposing mind and memory, and considering the uncertainty of this life, do make, publish, and declare this to be our Last Will and Testament as follows:

I, Sherry Akers, leave to Kathy Emery my nose, my bosom, and hairless bellybutton-- anyone's would be better than hers.

I, Peter Bodwell, leave to Mr. Hannon an empty space under his desk blotter where he usually finds my late gym papers. I also leave my gym locker shelves to Richard Morton in hopes he can find his own socks and clothes.

I, Nancy Brown, leave my chair and sitting with the Field Hockey girls at the Chicken Coop to Mr. Hannon.

I, Brenda Buswell, leave to Sharon Gould the upstairs and the downstairs bathroom to smoke in--- and not to get suspended for it.

I, Carrie Chenery, leave to Elaine Corriveau my Shorthand notes, my quietness, Fido's pups, and some bunnies.

I, Janice Clements, leave to Mr. Kavanaugh my beautiful smile and just a "few" love taps.

I, Susan Corriveau, leave to Telstar more Corriveau's to come; my act for getting in trouble; for another Corriveau gang to take over.

I, Scott Dennis, leave to Mr. Keniston the ability to smile when a Senior eats lunch during the Sophomore lunch period. Also to Mr. Taylor, I leave the ability to control his jealousy when a guy puts his arm around his girl in the halls. To the rest of my teachers, I leave my thanks for all the good times and all the things I've learned in your classes.

I, Dave Dolloff, leave the front seat in Mrs. Berry's room to the next sucker who takes her class. Also my famous question to Mr. Flynn, "Can I leave early?".

I, Gail Dooen, leave to Retta Wight a nice dark room with an inside lock in my chalet. Also to Mrs. Berry, I want to say, "Thanks for the advice, but really-- if you've seen the pink fairy, then I think it's o.k. for me to go ahead and get married".

I, Michael Dunn, leave to Leigh Michaud a life-size Scotty doll to keep her company in the corner next year. Also I leave a wheelbarrel to Dan Cummings.

I, Brian Dunham, leave to the trumpet players of Telstar, 1/4 of my skills and 3/4 to Billy Shimamura so that he may become the next Al Hirt of Telstar.

I, Susan Ellsworth, leave the sincerest regrets to any students who have Mr. Flynn as an English teacher in the years to come.

I, Karen Emery, leave to Mr. & Mrs. Taylor my love and appreciation for people because they sure don't have any. Also I leave to Mr. Keniston my great appreciation for being such a fabulous teacher in the two years that I've taken his classes. To Kathy, my sister, I leave my small nose; it's not that hers is big, it's just that mine is smaller. To my brother, Jeff, I leave my leg and arm muscles because he can sure use some.

I, Arlynn Gilbert, leave my messy locker to whomever gets it next year. Also all my P.E. papers to Mrs. Durgin. I also leave a set of story books to next years myth class.

I, Alvin Gross, leave to Ricky Hart all of my empty beer bottles.

I, Lorna Hall, leave absolutely nothing; I'm taking it all with me.

I, Victor Hathaway, leave to Mr. Tripp my space in the Graphic Arts room. Also to next year's Drama Club I leave faith, hope and charity.

I, Heidi Holt, leave to Mr. Flynn a megaphone so as to make sure all can hear his announcements. Also I leave to Cindy Hebert a few good times in the Portland area. And to my sister, Donna, the last two years of the Holt's at Telstar!

I, Renita Inman, leave to Marlene Patterson one can of dog food and a little dog named Jimmy to go along with it.

I, Brenda Kimball, leave to anybody who wants it, my place in Spanish class.

I, Mike Lannon, leave to Mr. & Mrs. Applin my ability to make love in the halls. And to Mr. Keniston my ability to have a good time. Also to the underclassmen and the Juniors I leave good luck, because there'll never be another class like '77.

I, Lauri Littlefield, leave to Cindy Parker my piccolo, having her know she'll never be as good as I. Also to Robbie Harrington the ability to shut up when asked.

I, Alan Lowe, leave my ability to party like a Senior to any underclassmen who THINK they can handle it. But mostly to Larry Bennett I leave the scales in the Physics room for his use of powers beyond imagination!

I, Frank Lowell, leave to Uncle Floyd 100 feet of rubber.

I, Leslie Mills, leave my ability to Mr. Flynn to give an answer before the day of the activity, and also to make a decision by himself. I also leave a case of cement blocks to some of the Juniors in hopes it will lower their noses.

I, Linda Morin, leave to anyone the ability to write out a good class will. And when you have, make sure you get in touch with me so we can go over the content!

I, Paul Morgan, leave to Mrs. Gibbs all the jokes and stories I've told in the library so loud everyone could hear them; so she can tell them to everyone who wasn't there.

I, Larry Patterson, leave to Mr. Flynn a pair of heavy duty suspenders. Also I leave to Mr. Elliot the smoking area so he can smoke his Friday cigar out there instead of in his office.

I, Lloyd Poland, leave to next year's basketball team my ability to shoot, and also a very well-used hot seat to Mr. Durgin or whoever needs it (and by the looks, everyone will be using it). Also I leave to Mrs Berry the ability to understand abbreviations.

I, Randy Rickards, leave to Mr. Kavanaugh my painting ability and my two wall murals. Also I leave to Mr. Hefley $1,500 worth of broken drum sticks.

I, Roberta Saunders, leave to Mr. Flynn the ability not to interrupt people when they are talking! And to the lack of guidance, alot of hope.

I, Linda Scott, leave to Elizabeth Morton and Cindy Hebert a year's supply of "Tickle Pink" each. I also leave my permanent place in the library for anybody who wants to get bored quickly.

I, Robin Snyder, leave to Mrs. Gibbs a book explaining a graceful way to kick people out of the library.

I, Cathy Smith, leave to Mr. Tripp, Harvi, two empty desks and a drawer full of used flats. Also to Mrs. Berry 14 copies of THE SHEET.

I, Brent Swan, leave to Mr. Kersey the ability to stay handsome, there are only a few of us left!

I, Jack Taylor, leave a large Pepsi factory to Andy Evans so he won't have to spend so much money during football season. Also I leave all my hair to Bucky so that he may grow the beard he really wants. Also to Dan "TKE" Cummings, I leave the one good thing Pandora let out of her box.....HOPE!

I, Thea Tracy, leave to Paula Mills and Faith Morgan the ability to recognize positive qualities in someone besides themselves.

I, Brian Verrill, leave to Mr. & Mrs. Taylor all my corners and empty rooms so that they may learn something.

I, David Webster, leave all my good luck for the Seniors-to-be, because after we leave, they will need it. I also leave my love to Gibbly, she needs it. Also I leave to Mike Brooks my ability to do what he wants, when he wants, where he wants, and that Eloise may never find out. To Mrs. Berry I leave my great compositions. I leave my ability to weasel out of anything to all the Sophomores, because the Juniors are too good to ever use it. I leave to the Juniors a case of beer in hopes they can finish it before the year ends. To Mr. Remington, I leave a bottle of aspirin to use at Fryeburg.

I, Ricky Waisanen, leave to Mr. Strout all my automotive intelligence. Also to Mr. Keniston all my metal-working ability. Also I leave the corner by the gym to anybody that wants to use it.

I, Erland Waterhouse, leave to Mike Brooks a full course meal at Ginny's and a crane to take him away.

I, Brad Wight, leave to Erland Waterhouse, Ginny and all her lonely nights. Also to all the underclassmen the ability to party and be sociable at all times. "Juniors, especially." I also leave my ability to lift weights to Roger Berryment so he can handle Cindy Hebert. Also I leave the ability to clean a kitchen table on a Saturday night to Brian Douglass.

I, Tom Wight, leave this school to anyone who wants to use it. There are worse places to spend six years.

I, Kimberly Whitten, leave to Mr. Samuel Elliot my Sears and Roebuck credit card so when his counseling degree runs out, he can buy a new one. I leave my modesty to Terri Wight. I also leave a certain group of Junior boys my deepest regrets and sympathy, because they have to spend another year with a certain group of Junior girls.

I, Elden Yates, leave to Coach LaVallee a box of pop rivets and a pop rivet gun so he can repair his mail box this 4th of July. M-80S do a good job!

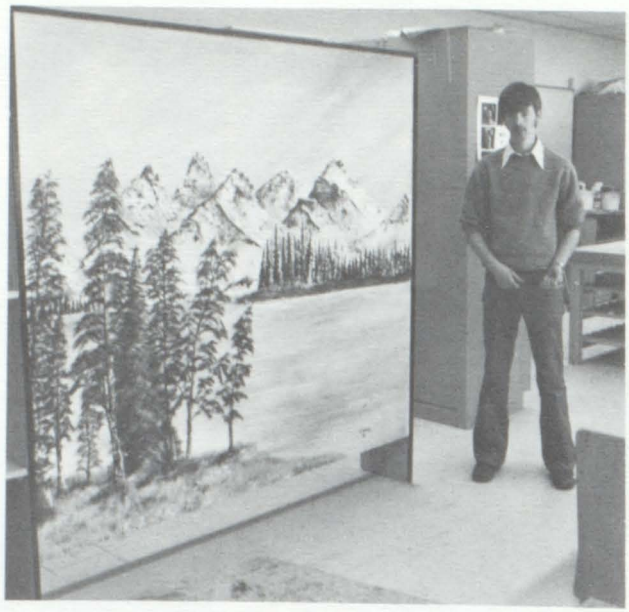
PAINTINGS BY RANDY RICKARDS



Randy Rickards, 1977 graduate, is shown working on two murals he created in his art class. Randy has sold many of his paintings but has given these two murals to the high school. One measures 6 feet by 5½ feet, the other measures 8½ feet by 5½ feet. Randy received an award for his excellence in art.

A WORD FROM THE COACH:

Despite their record, these girls played very good basketball. The girls moved well on the court playing a fast, aggressive game. They deserve to have much more support from their school mates. This year's team was an excellent one and next year's should be even better.

The Library Club was organized last fall, and members elected the following officers to serve during the 1976-77 school year: President, Susanne Royer; Vice-President, Jeff Mills; and Secretary-Treasurer, Scott Dennis.

Library Club members perform numerous tasks, such as working at the sign-out desk, shelving books, processing new books, helping with inventory, etc. Their help is invaluable to the efficient running of the Library.

On Saturday, November 20, the Club sponsored at Telstar the November meeting of the Oxford County Retired Teachers Association. Library Club members set up the Library for the general session by moving out tables, placing chairs in rows, etc., and members acted as waitresses at the luncheon in the Cafeteria, as elevator operators, and as guides. About 100 guests were hosted by the Club.

In the fall the club also held its annual paperback book fair. This event is traditionally held in late November so that orders of books will by sure to arrive in time for Christmas.

In June the group held a picnic at Abbott's Anchorage in Bryant Pond. The Club paid all expenses for this outing, which was thoroughly enjoyed by all who attended.

Club members are as follows: Aaron Bachelder, Jeff Barton, Brenda Cushing, Kenneth Davis, Wendy Davis, Scott Dennis, Susan Duguay, Brian Dunham, Julia Edwards, Karen Emery, Cheryl Gilbert, Brian Hanscom, Victor Hathaway, Cindy Hebert, Kathy Hutchins, Cliff Howe, Brenda Kimball, Lauri Littlefield, Sharon Littlefield, Jackie Martin, Jeff Mills, Paul Morgan, Linda Morin, Elizabeth Morton, Susanne Royer, Robin Snyder, Eddie Swain, Robert Swan, Mike Teague, Mary White, Scott Wight, and Tom Wight.

The Club purchased in June a framed painting from Randy Rickards, a Telstar senior. This painting will hang permanently in the Library.

National Honor Society

M. Dombkowski, P. Webster, S. Dennis, P. Gauthier, K. Whitten, T. Tracy M. Dunn, 2nd row; F. Morgan, S. Wight, Mrs. Gibbs, T.Wight, P. Owen, C. Smith, 3rd row; G. Dooen, H. Holt, P. Keniston, S. Morrill, N. Brown, D. Cummings, Absent, S. Akers, B. Flynn, P. Morgan, S. Royer

The National Honor Society started out the year with only four senior members who had been chosen their junior year: Scott Dennis, Cathy Smith, Kim Whitten, and Tom Wight. In December, eighteen new members were chosen, and an induction ceremony was held on December 15, at the Moses Mason House in Bethel. Mr. Rodney Abbott of the English Department, the guest speaker, gave a most enjoyable address, which incorporated both serious comments on the importance of N. H. S. and some lighter remarks about each of the twenty-two members. Following the traditional candlelight service, during which the new members were formally inducted, refreshments were served to the students and their guests, and pictures were taken by Mr. Tripp.

National Honor Society members are chosen on the basis of Scholarship, Leadership, Character, and Service. At Telstar membership is restricted to members of the junior and senior classes. Members are eligible on attaining an accumulative average of 85 or better. Beyond providing for eligibility, grades are no longer taken into account. An eligible student is then chosen on the basis of Character, Leadership, and Service by a faculty committee of seven, comprising the following: Mr. Abbott(English), Mrs. Applin(Math), Mr. Elliot(Guidance), Mrs. Gibbs(N. H. S. Advisor), Mr. Kersey(Science), Mr. Morton(History), and Mr. Otero(Foreign Languages). New seniors inducted were: Sherry Akers, Nancy Brown, Gail Dooen, Mike Dunn, Heidi Holt, Paul Morgan, Susanne Royer, & Thea Tracy. Juniors inducted were: Dan Cummings, Manya Dombkowski, Brian Flynn, Philip Gauthier, Peter Keniston, Steve Morrill, Faith Morgan, Patti Owen, Priscilla Webster & Scott Wight.

On February 17, Tom Wight, who was appointed District 3 Chairman by the State President, and Mrs. Gibbs, N. H. S. Advisor, went to Old Town High School to attend the last state officers' meeting prior to the convention. On Saturday, March 26, eight members and the advisor left Telstar at 4:30 a.m. by bus for Lincoln, Maine, to attend the N. H. S. State Convention held at Mattanawcook Academy. Highlights of the convention were the keynote address by James Wiggins, former Ambassador to the U. N. and current editor of the Ellsworth American, various workshops, a performance by the Designed X-pression of the University of Maine in Farmington, and the election of new state officers. Although Scott Wight was unsuccessful in his bid for the vice-presidency, he acquitted himself well and Telstar members were proud of him. Members making the trip were Dan Cummings, Brian Flynn, Philip Gauthier, Peter Keniston, Steve Morrill, Cathy Smith, Scott Wight, and Tom Wight.

On April 14, The Telstar Chapter hosted the N. H. S. District 3 Spring Meeting. At that meeting representatives from Dirigo High School, Oxford Hills High School, and Telstar met and elected Philip Gauthier to serve as the 1977-78 Regional Chairman.

During the year the N. H. S. members held various fund-raising activities to provide money for the Chapter's scholarship fund. Among these were a bike raffle, won by Patti Owen; two car washes held simultaneously in Andover and Bethel, and an extremely successful Gong Show, which was masterminded by the very effective president, Kim Whitten. As a result of these efforts, it was possible for the Chapter to award at graduation a $100 scholarship to each of the following: Scott Dennis, Julia Edwards, and Susanne Royer.

This year's officers are: President, Kim Whitten; Vice-president, Cathy Smith; Secretary, Scott Dennis; and Treasurer, Tom Wight. Officers elected to serve for the 1977-78 school year are: President, Dan Cummings; Vice-president, Steve Morrill; Secretary, Priscilla Webster; and Treasurer, Peter Keniston.

The Spanish Club got off to a slow start this year, and things weren't really started till 1/4 of the school year was over. Once we did get rolling, things went very well.

The Spanish Club put on a number of food sales which were held after school during the basketball, and softball-baseball seasons.

We also held several dances at the Woodstock Gym which went over quite well with the elementary kids. We sold food at these outings too. I think we spent more money being cooks than anything else ! It was alot of fun, no matter what.

Our biggest moneymaker was selling candy. The Spanish Club sold the M & Ms a good part of the year, and made a good amount of money.

Some things we had planned never really got off the ground. We wanted to have a donkey basketball game, car wash, & danceathon. These things didn't ever get fulfilled because of other things which would pop up unexpectedly. We do hope to get the previous ideas in motion next year.

Our Goal: let me say it's a big one. Our purpose for all the money we have earned is to go to Puerto Rico. Spanish II & III students will be going next year. A lot of hard work is still reguired and we are determined to get the money to go. We have taken some money out and bought sodas & candy to sell at the Bryant Pond baseball games, since Mr. Otero will be convenient. We hope to make money over the summer.

I don't have much of an idea of how much we did make, but no matter how much it was much it was, we have worked for it and have had fun at the same time.

We thank the yearbook staff and we thank everyone who contributed to our goal goal.

Sincerely,
Spanish Club Secretary,
Julie Martin

Newspaper Staff

L. Smith, V. Hathaway, T. Wight, C. Smith

When the Sheet was started three years ago, the idea was to put out a one page paper fairly frequently, rather than a sporadic large one. Times have changed, and the readers of the Sheet have benefitted in two ways. They get their newspaper for free now thanks to the Graphic Arts Department. They also get a larger, better quality paper, due largely to the ferreting abilities of our advisor, Mrs. Taylor

I would also like to thank the yearbook staff for their use of the Winter Carnival pictures and to Mr. Tripp for his pictures of the geese.

I would also like to publicly recognize Mr. Tripp and the Graphic Arts Gang and Harvi. Without their invaluable help there would've been no Sheet this year.

The Telstar French Club has been busy all year striving to earn money for a trip to France in the Spring of 1978. This is the first year there has been a French Club since 1972. Our first money-making project was a pot luck supper in Locke Mills. This was quite a learning experience for us as we had never before organized a public supper. We held a couple of food sales at Mill's Market in Andover. These were great successes. We held a spaghetti supper in the Christian Education Building in Andover. With the cooperation of the Andover Elementary School, we were able to hold two dances for the elementary students, which were enjoyed by both the students and the parents who watched. We put on a Junior High Dance in the gymnasium at Telstar. This was well attended by grades 6-9. We sold candy bars in school and this turned out to be our most successful project. Our last project of the year was the raffle of a 40 channel C:B Radio. The winner of this raffle was Alden Briggs of Andover. The members of the French Club wish to extend our thanks to all the people who have helped with our projects and supported us this past year. We would like to give a special thanks to our advisor, Mr. Charles Taylor, because without his help our club never would have been organized.
